22-24 October | Kuala Lumpur Convention Centre

Dear Industry Colleague,

The 28th ISWA World Congress will be held at the Kuala Lumpur Convention Centre from 22-24 October 2018.

Building on the success of previous Congresses, this multidisciplinary event is expected to attract in excess of 1,000 solid waste management professionals, government officials, industry leaders, policy makers, scientists and young professionals from across the globe.

The Congress will deliver a world-class technical programme designed to advance scientific and technical knowledge for sustainable solid waste management. Through keynote lectures, plenaries, concurrent sessions, poster sessions and case studies, we will explore the best industry practices.

The ISWA World Congress 2018 theme, *Sustainable Consumption towards Waste Minimization*, is focused on driving strategic change and technological innovation toward sustainable consumption solutions whilst reducing our ecological footprint.

The ISWA World Congress 2018 Organising Committee would like to invite you to participate at this prestigious event.

As an exhibitor, you will enjoy an unparalleled opportunity to meet top senior executives and policy makers from across the globe. By participating as a Sponsor, you will enjoy a rare opportunity to expand your organisation's visibility and brand within circles of executive leadership in attendance at the Congress.

As the industry's leading solid waste management event, ISWA World Congress 2018 is your ideal marketing platform.

I look forward to seeing you in Kuala Lumpur, Malaysia in October 2018.

Ho De Leong
28th ISWA 2018 Organising Committee Chairman

INTERNATIONAL SOLID WASTE ASSOCIATION (ISWA) WORLD CONGRESS

Kuala Lumpur, Malaysia

22-24 October | Kuala Lumpur Convention Centre

The ISWA World Congress is a global forum where solid waste management professionals, government officials, industry leaders, policy makers, scientists and young professionals meet to exchange views and opinions to advance scientific and technical knowledge for sustainable solid waste management.

Since its inception in 1990, the ISWA World Congress has cemented itself as the industry's leading solid waste management event.

The ISWA World Congress 2018 will be the event's 28th edition, and it is expected to attract over 1,000 delegates from across the globe.

The Congress will feature a comprehensive scientific programme highlighting the socioeconomic impacts of waste recycling, waste reduction, health, safety, policy regulation pertaining to recycling and climate change, marine and coastal waste management.

ABOUT THE ORGANISERS

International Solid Waste Association

ISWA's declared mission is "To Promote and Develop Sustainable and Professional Waste Management Worldwide"

ISWA achieves its mission through:

- Promoting resource efficiency through sustainable production and consumption
- Supporting developing and emerging economies
- Advancement of waste management through education and training
- Promoting appropriate and best available technologies and practices
- Promoting ISWA's professional qualification programme

WMAM represents professionals and practitioners from many disciplines including environmental, engineering, law, management, and the service industry.

WMAM works to promote and encourage the development of high standards of waste management services in Malaysia in respect of solid, liquid waste, hazardous and other waste matters. WMAM encourages collaboration and cooperation between all parties involved and in waste management practices. WMAM is a non-profit, technical and educational organisation that provides a platform for all stakeholders to contribute their views and expertise on matters relating to waste management.

WMAM is the NATIONAL member of the International Solid Waste Association (ISWA).

REACH YOUR TARGET AUDIENCE

The Congress registrants will include top executives and decision makers (c-suite) from leading multinational and national corporations, key opinion formers, policy makers and government personnel specialising in the field of solid waste management.

For ISWA World Congress 2018, the organisers have selected the theme *Sustainable Consumption towards Waste Minimization*. This timely and relevant topic is an aspiration and goal of both local and global waste management professionals.

MALAYSIA

Located at the gateway of Asia, Malaysia is the perfect destination to host the ISWA World Congress 2018. With a population of over 600 million people, Malaysia is at the heart of the world's largest economic growth corridor and is a key player in both ASEAN and the Southeast Asia region.

Malaysia is a uniquely diverse country with a multicultural population that will not fail to amaze you. Its mix of Malay, Chinese, Indian, Middle Eastern and European traditions, ensures it offers a wonderful variety of cultural experiences.

Standing at 452m high, the PETRONAS Twin Towers has become a recognised international symbol. At the foot of the Twin Towers is Suria KLCC, one of the city's finest shopping centres. With an array of shopping malls offering tax-free incentives to foreigners, Malaysia has proven to be a shoppers' paradise.

With a developed world-class infrastructure, where English is widely spoken, Malaysia ensures affordable accommodation, dining and travel options.

VISA REQUIREMENTS

Most nationalities do not require a visa for social or business visits. Visitors must be in possession of a valid passport or travel document with a minimum validity of six months beyond the period of stay.

Please contact the ISWA World Congress 2018 Secretariat should you require an invitation letter to attend the Congress.

WEATHER

Malaysia enjoys sub-tropical weather conditions throughout the year with temperatures hovering around 32 degrees Celsius (90 degrees Fahrenheit). During November, scattered rain showers will offer welcome respite from the humidity. Rain showers seldom last for more than a couple of hours leaving a fresh and crisp air.

LOCAL TIME

Standard Malaysian time is eight (8) hours ahead of GMT.

CURRENCY

The Malaysian Ringgit (MYR) is the official currency in Malaysia. MYR1.00 is equal approximately to USD0.23 cents (correct at time of print).

ELECTRICITY

Voltage is 20-240 volts, AC at 50 cycles per second.

BUSINESS HOURS

Shops are generally open between 10:00 and 22:00 hours. Banking hours are between 09:30 and 16:00 hours. Government offices and banks are closed on the first and third Saturdays of each month.

ATM machines are found in banks and most shopping complexes throughout the country.

TAX & TIPPING

Tipping is normally not customary in Malaysia. A 10% Service Charge and 6% GST are added to rooms, meals and other related services.

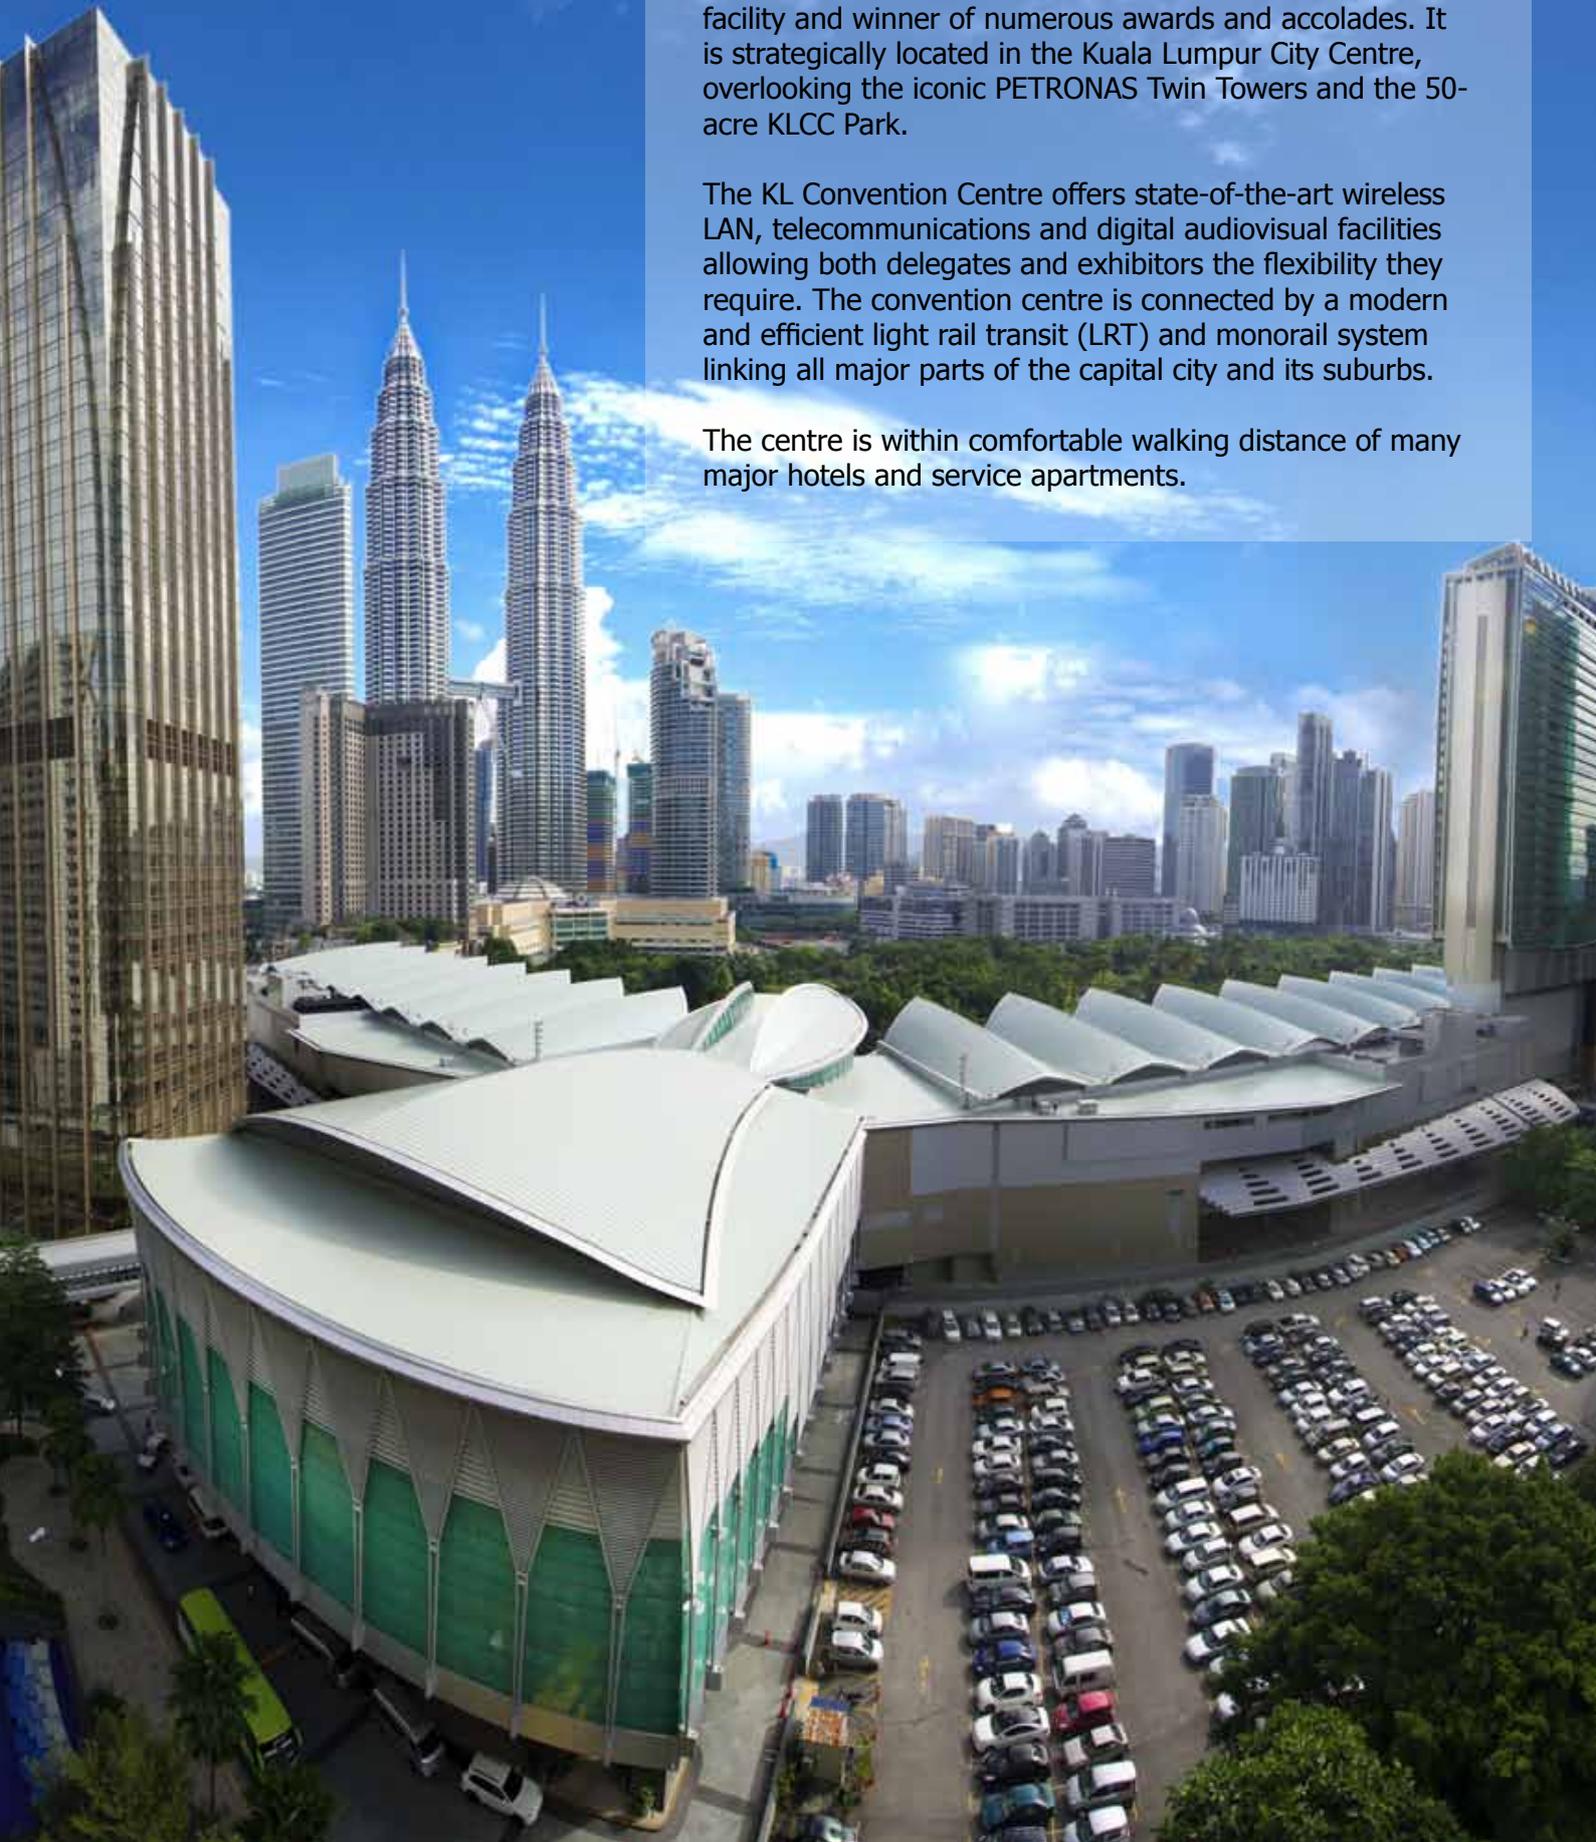

KUALA LUMPUR CONVENTION CENTRE

The Kuala Lumpur Convention Centre (KL Convention Centre) is a purpose-built convention and exhibition facility and winner of numerous awards and accolades. It is strategically located in the Kuala Lumpur City Centre, overlooking the iconic PETRONAS Twin Towers and the 50-acre KLCC Park.

The KL Convention Centre offers state-of-the-art wireless LAN, telecommunications and digital audiovisual facilities allowing both delegates and exhibitors the flexibility they require. The convention centre is connected by a modern and efficient light rail transit (LRT) and monorail system linking all major parts of the capital city and its suburbs.

The centre is within comfortable walking distance of many major hotels and service apartments.

EXHIBITION

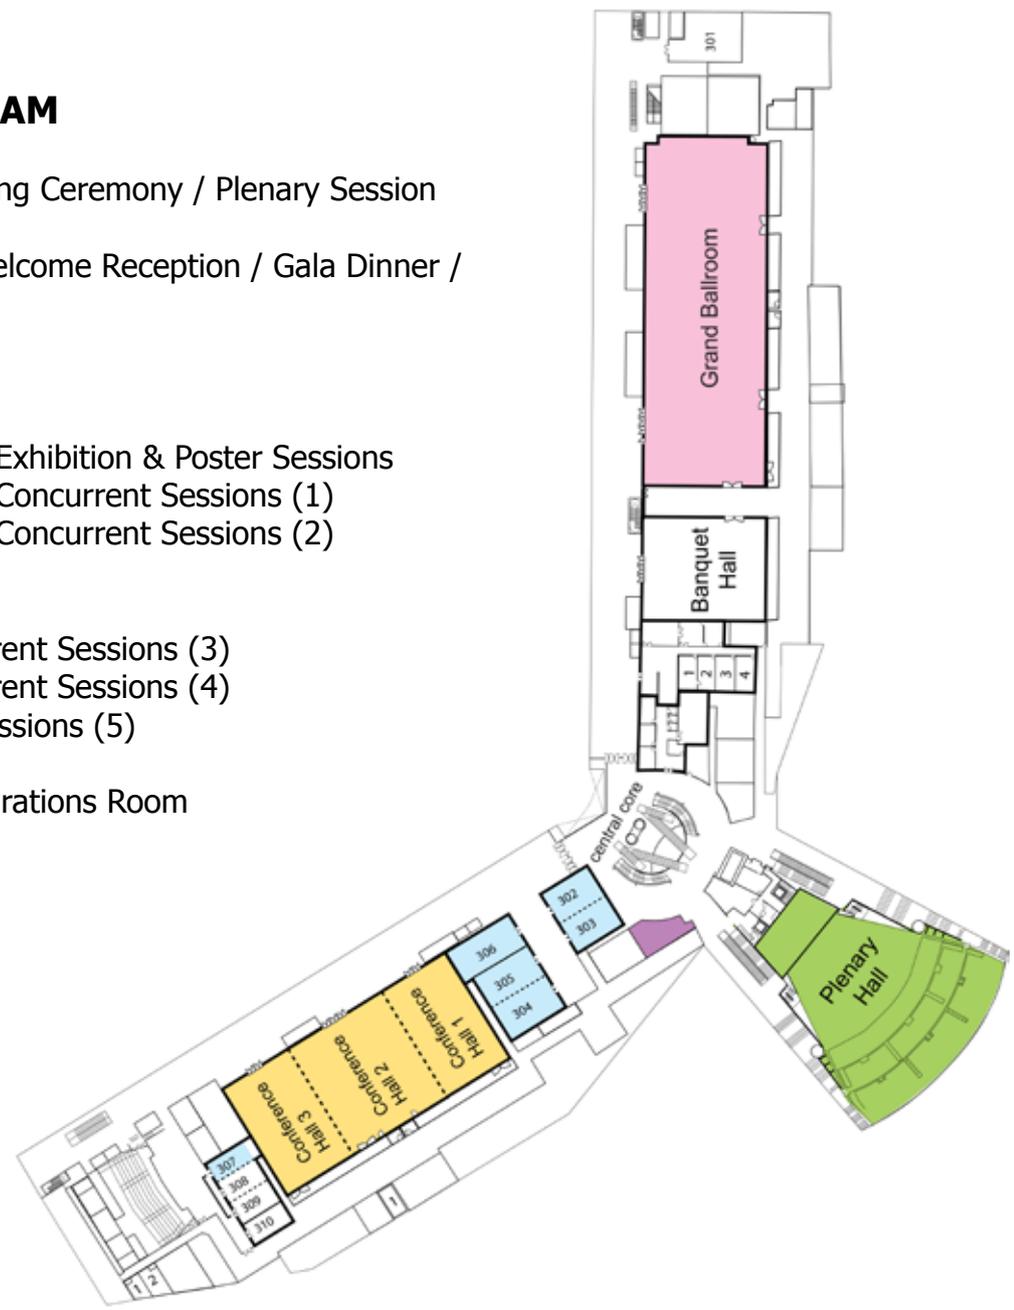

Suppliers of waste management equipment, technology providers, consultancies, global policy makers and private and public institutions involved in science and environmental science will be invited to showcase their products and services during the three-day exhibition.

The exhibition is located in a pillar-less 505 sqm (5,434 sq. ft.) hall on level 3 of the KL Convention Centre.

Refreshments, Internet stations and technical poster stations will be positioned within the hall to encourage delegates to circulate throughout the exhibit stands.

SPONSORSHIP OPPORTUNITIES

Sponsorship is one of the most pivotal factors contributing to the success of a Congress. The ISWA World Congress 2018 Sponsorship Programme has been devised to ensure that sponsors will be able to derive maximum exposure for their investment.

There are four sponsorship packages:

- **Platinum**
- **Gold**
- **Silver**
- **Bronze**

Differing benefits and rewards are accorded to each sponsorship tier. Specific packages have been developed for your convenience. You will also find individual sponsorship items listed.

Sponsorship is only confirmed when payment is received in full. Items are limited and are available on a first-paid, first-served basis. Notwithstanding, the ISWA World Congress 2018 Secretariat aspires to ensure that the distribution of sponsorship items available is conducted and allocated in a fair and equitable manner.

Due to the limited availability of sponsorship items, please contact Ms Lim Pick Goh at secretariat@iswa2018.org with your request as soon as possible.
