

Call for Papers : Plastic flow and its management

Dear all related colleagues of Journal of Material Cycles and Waste Management (JMCWM)

The Journal of Material Cycles and Waste Management (IF 3.579 of 2021), which is the peer-reviewed journal of the Japan Society of Material Cycles and Waste Management (JSMCWM) and the Korea Society of Waste Management (KSWM), is currently running a Special Issue entitled " Plastic flow and its management ". Prof. Toshiaki Yoshioka (Tohoku University), Prof. Masahiro Osako (National Institute for Environmental Studies), Prof. Taku Fujiwara (Kyoto University), Prof. Masashi Yamamoto (Tokai University), Prof. Hirofumi Nakayama (Kyushu University), Prof. Kazuyuki Oshita (Kyoto University), Prof. Jun Nakatani (The University of Tokyo), Dr. Go Suzuki (National Institute for Environmental Studies), Prof. Shogo Kumagai (Tohoku University) and Misuzu Asari (Kyoto University) are serving as responsible editors for this issue. We expect you could make an excellent contribution based on your expertise and recent achievements in following areas:

- [1] Quantification and qualification of plastics litter and micro plastics
- [2] Plastic cycles and risks in the environment
- [3] Plastic flow analysis
- [4] Life cycle management of plastics
- [5] Technology of plastic management
- [6] Chemical feedstock recycling of polymeric materials
- [7] New policy, legal framework of plastic management

We are interested in laboratory studies, filed studies, sociological studies and practical implementation, in the form of Original articles, Notes, and Regional case studies. All manuscripts for the JMCWM special issue of " Plastic flow and its management " will be subject to follow standard rules and review process for peer reviewed papers; including the review of each manuscript by at least two international experts. The deadline for paper submission is April 30 2023. The accepted papers will be published in early November 2023 (Volume 25).

There will be no page charge for authors in this Special Issue. Color illustrations will be accepted; however the author will be expected to make a contribution to the extra cost. Instruction for Authors is available at JMCWM site on Springer Link. You find the other

information for submitting and publication.

<https://www.springer.com/journal/10163>

We encourage authors to send a tentative title and short abstract to the Editor (Prof. Misuzu Asari, mezase530@gmail.com) in advance, if possible by December 31, 2022. Also, we recommend you to attend the 3RINCs2023 (<https://www.3rincs.org/>) to discuss deeply about your works in Kyoto and online.

Please submit your manuscript using the online system, Editorial Manager (EM):

<https://www.editorialmanager.com/jmcw/>

Your specification to submit for the Special Issue of the " Plastic flow and its management " should be appreciated. Please mention thereon in space of Author Comments, as shown in the figure.
